

LUND UNIVERSITY

## CALL FOR PAPERS

Young Scholars Nordic Finance Workshop  
November 23-24, 2023 Lund, Sweden

Lund University and The Nordic Finance Network (NFN) are organizing the 12<sup>th</sup> Finance Workshop for young scholars from Nordic universities on November 23-24, 2023 in Lund. The workshop offers junior Finance faculty from Nordic universities a forum to present their research. In addition, the workshop aims to provide an opportunity for junior and senior faculty to meet and interact.

Theoretical and empirical papers in all areas of finance are welcome, but the author(s) must have graduated after 2017. Completed as well as preliminary drafts will be considered.

The submission is also open for Finance PhD students entering the international job market in 2023-24. We strongly encourage those students to submit their job market paper. Please indicate this in your submission email. The workshop offers a possibility to present their job market papers, get feedback, guidance, and interact with Finance faculty.

While only young scholars (PhD after 2017) and PhD students entering the international job market can submit papers, the workshop is open to faculty, post-docs, and PhD students from all Nordic universities. If you wish to attend the workshop as a participant and/or would like to offer to be a discussant, please send an email to [nfn@aalto.fi](mailto:nfn@aalto.fi).

Professor **Albert J. Menkveld** (Vrije Universiteit Amsterdam) will be the keynote speaker at the workshop.

The workshop will start late morning on Thursday, November 23<sup>rd</sup>, and run until early afternoon on Friday, November 24<sup>th</sup>. The workshop format will be paper presentations, followed by a discussion. In addition, we plan to organize some activities to better prepare students for the job market. There will be a workshop dinner on Thursday evening.

There is no workshop fee. Traveling expenses and accommodation of presenting authors and discussants will be covered by the organizers.

Papers will be selected based on a review by the Program Committee. The submission deadline is **October 8<sup>th</sup>, 2023**. Please submit your paper in PDF format by e-mailing it with "NFN Young Scholars Workshop" in the subject line to [nfn@aalto.fi](mailto:nfn@aalto.fi). Authors will be notified of the Program Committee's decision by the end of October, 2023. Further information about the workshop and the NFN can be found here (<http://nfn.aalto.fi/workshops.htm>).
