

CALL FOR PAPERS

PhD Nordic Finance Workshop

May 10-11, 2021

Aarhus University, Denmark

The Nordic Finance Network (NFN) and Aarhus University are organizing the 15th Annual Research Workshop for PhD students in finance on May 10-11, 2021. The workshop offers PhD students from Nordic universities a forum to present their research and get feedback from faculty and fellow students. The workshop is open to doctoral students in finance and faculty members from Nordic academic institutions, irrespective of whether or not their home institutions are members of the NFN.

Papers in all areas of financial economics are welcome. Submissions of papers written solely by PhD student(s) are particularly encouraged, and papers should not have been presented at a major conference like the EFA meeting.

Professor **Nihat Aktas (WHU - Otto Beisheim School of Management)** will be the keynote speaker at the workshop.

The workshop format is paper presentations, followed by a discussion. There is no workshop fee.

The workshop will be organized as an online event. However, we are keeping a close eye on the COVID-19 pandemic and should the situation improve significantly by May, the workshop can be organized as a hybrid/physical workshop.

Papers will be selected based on a review by the Program Committee. **The submission deadline is March 15th, 2021.** Please submit your full paper in pdf format by e-mail to nfn@aalto.fi and provide name, affiliation and contact information. Authors will be notified of the Program Committee's decision by early-April 2021.

Further information about the workshop will be posted on the NFN website: <http://nfn.aalto.fi>.
