

CALL FOR PAPERS

PhD Nordic Finance Workshop

March 23-24, 2023

Levi Summit, Levi (Kittilä), Finland

The Nordic Finance Network (NFN) and Aalto University School of Business are organizing the 17th Annual Research Workshop for PhD students in finance on March 23-24, 2023 in Levi. The workshop offers PhD students from Nordic universities a forum to present their research and get feedback from faculty and fellow students. In addition, the workshop aims to provide an opportunity for PhD students and faculty to meet and interact. The location of the workshop also provides an opportunity to enjoy winter activities together in the beautiful scenery and ski resort that lies above the Arctic Circle, and with some luck, a possibility to see Aurora Borealis.

The workshop is open to doctoral students in finance and faculty members from Nordic academic institutions, irrespective of whether or not their home institutions are members of the NFN.

Papers in all areas of financial economics are welcome. Submissions of papers written solely by PhD student(s) are particularly encouraged, and papers should not have been presented at a major conference like the EFA meeting.

Professor **Russell Wermers (Robert H. Smith School of Business, University of Maryland)** will be the keynote speaker at the workshop

The PhD workshop starts early on Thursday morning, March 23, and runs until noon on Friday, March 24. The workshop format is paper presentations, followed by a discussion. There will be a workshop dinner on Thursday evening. In addition, the workshop will have joint non-academic program with two other conferences on Wednesday evening. The [Lapland Investment Fund Summit](#) takes place on March 21-22 and [Lapland Household Finance Summit](#) March 22-23 in Levi.

There is no workshop fee. Traveling expenses (economy class) and accommodation for presenting authors and discussants/chairs will be covered by the NFN.

Papers will be selected based on a review by the Program Committee. **The submission deadline is December 14, 2022.** Please submit your full paper in pdf format by e-mail to nfn@aalto.fi and provide name, affiliation and complete contact information. Authors will be notified of the Program Committee's decision by the end of the year.

Further information about the workshop will be posted on the NFN website: <http://nfn.aalto.fi>.
