

# CALL FOR PAPERS

## PhD Nordic Finance Workshop

May 30-31, 2017  
Copenhagen

The Nordic Finance Network (NFN) and Copenhagen Business School (CBS) are organizing the 11<sup>th</sup> Annual Research Workshop for PhD students in finance on May 30-31, 2017 in Copenhagen. The workshop offers PhD students from Nordic universities a forum to present their research and get feedback from faculty and fellow students. In addition, the workshop aims to provide an opportunity for PhD students and faculty to meet and interact. The workshop is open to doctoral students in finance and faculty members from Nordic academic institutions, irrespective of whether or not their home institutions are members of the NFN.

Papers in all areas of financial economics are welcome. Submissions of papers written solely by PhD student(s) are particularly encouraged, and papers should not have been presented at a major conference like the EFA meeting.

**Professor Ralph Koijen, NYU Stern School of Business** will be the keynote speaker at the workshop.

The PhD workshop starts early on Tuesday morning, May 30<sup>th</sup>, and runs until the afternoon on Wednesday, May 31<sup>st</sup>. The workshop format is paper presentations, followed by a discussion. In addition, there will be a workshop dinner on Tuesday evening.

There is no workshop fee. Traveling expenses (economy class) and accommodation for presenting authors and discussants/chairs will be covered by the NFN.

Papers will be selected based on a review by the Program Committee. **The submission deadline is March 27<sup>th</sup>, 2017.** Please submit your full paper in pdf format by e-mail to [nfn@aalto.fi](mailto:nfn@aalto.fi) and provide name, affiliation and complete contact information. Authors will be notified of the Program Committee's decision by mid-April 2017. **The registration deadline for PhD students without a paper as well as faculty is April 24<sup>th</sup>, 2017.**

This year the workshop is organized back to back with the **AQR Top Finance Graduate Award at CBS 2017**. This event is a unique opportunity to see the world's most promising finance PhD graduates in 2017 present their research in Copenhagen on May 29, 2017. The event is organised by the FRIC Center for Financial Frictions and sponsored by AQR Capital Management. NFN workshop participants can opt-in for an additional night of accommodation (Sunday, May 28), courtesy of the FRIC Center.
