

## Travel directions – PhD Nordic Finance Workshop 2017

### How to get from Copenhagen Airport to the DGI Byens Hotel?

After your arrival at Copenhagen Airport, you can either take a taxi to the hotel or alternatively you can take the regional trains directly from the airport to Copenhagen Central station. The hotel is located in a 5-8 minutes' walking distance (400-650 m) from the central station, depending on where you get out of the Central station.

Taxis can pick up passengers at terminal 1 and 3 and will get you to downtown Copenhagen in about 20 minutes depending on traffic. Taxis are usually waiting outside each terminal. Approx. DKK 250-300.

The train station for the regional trains is located by terminal 3 in the airport. Please make sure to find the regional train station and not the metro station – they are adjacent (see map below). The regional train will get you to Copenhagen Central station in about 15 minutes.

### Tickets for public transportation

Tickets can be bought at the vending machines (take all major credit cards) and at the DSB ticket sales counter in terminal 3. We recommend that you buy a Citypass.

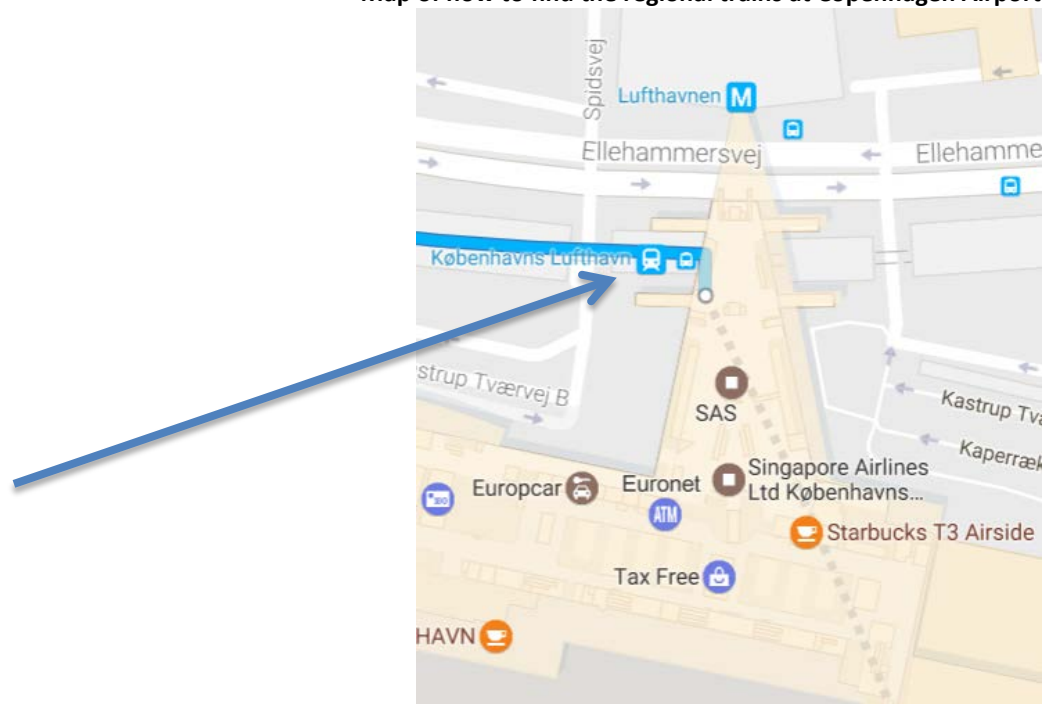

24 hours City Pass: 80 DKK

72 hours City Pass: 200 DKK

[The city pass can be bought online here](#)

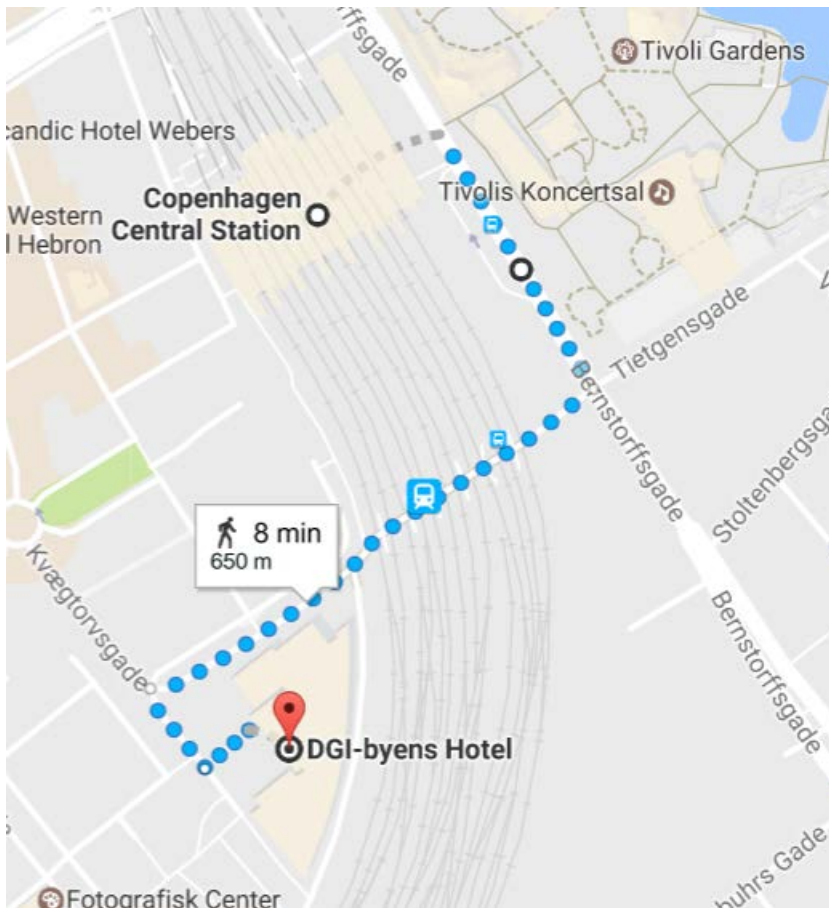

You can also buy single tickets: 36 DKK (for 1 trip in 3 zones, so from airport to hotel)
