

CALL FOR PAPERS

PhD Nordic Finance Workshop May 23-24, 2013 in Aarhus, Denmark

The Nordic Finance Network (NFN) is organizing the **7th annual research workshop for Nordic PhD students in Finance** on May 23-24, 2013 in Aarhus, at University of Aarhus. The workshop brings together Finance PhD students and faculty from leading Nordic academic institutions to discuss the current research conducted by the participating doctoral students. The objective is to provide PhD students with a forum to present their research and get comments from senior researchers and fellow students. Moreover, the workshop gives an excellent opportunity to get to know and interact with fellow PhD students and finance faculty members. The workshop is open to doctoral students and faculty members from Nordic and Baltic academic institutions, irrespective of whether or not their home institutions are members of NFN.

Papers in all areas of financial economics are welcome. Submissions of papers written solely by PhD student(s) are particularly encouraged and papers should not have been presented at the major conferences like the EFA meeting.

We are happy to announce that **Professor Lasse Heje Pedersen** (Copenhagen Business School) will be the keynote speaker at the workshop.

Please make sure that, on the first page of your paper, you provide your name, affiliation and complete contact information. **The deadline for paper submission is March 22, 2013.** The decision about acceptance of the paper will be communicated in early April.

PhD students and faculty members participating without a paper: Please register by sending an e-mail to nfn@aalto.fi and provide your name, affiliation and complete contact information. **The deadline for registering for the workshop is March 22, 2013.**
