

CALL FOR PAPERS

Young Scholars Nordic Finance Workshop

November 24-25, 2016 Helsinki, Finland

Aalto University School of Business and The Nordic Finance Network (NFN) are organizing the 5th Finance Workshop for young scholars from Nordic universities on November 24-25, 2016 in Helsinki. The workshop offers junior faculty from Nordic universities a forum to present their research. In addition, the workshop aims to provide an opportunity for junior and senior faculty to meet and interact.

Theoretical and empirical papers in all areas of finance are welcome, but the author(s) must have graduated after 2010. Completed as well as preliminary drafts will be considered. While only young scholars (PhD after 2010) can submit papers, the workshop is open to faculty, post-docs, and PhD students from all Nordic universities.

As teaching skills play an increasing role in academic finance career progression, the Young Scholars Workshop will feature this year also a session on teaching. This session is targeted to recent PhDs, but participation is also open for more seasoned faculty members and other workshop participants. The purpose of this session is to connect individuals with similar teaching responsibilities to share experiences and best practices. When registering to the workshop, please mention also whether you teach introductory, corporate finance or asset pricing courses.

The workshop will start on Thursday mid-morning, November 24th and run until early afternoon on Friday, November 25th. The workshop will be held at the Aalto University School of Business, Runeberginkatu 22-24, in Helsinki. The workshop format will be paper presentations, followed by a discussion. In addition, there will be a workshop dinner on Thursday evening.

There is no workshop fee. Traveling expenses and accommodation of presenting authors and discussants will be covered by the organizers.

Papers will be selected based on a review by the Program Committee. The submission deadline is **October 17th, 2016**. Please submit your paper in PDF format by e-mailing it with "NFN Young Scholars Workshop" in the subject line to nfn@aalto.fi. Authors will be notified of the Program Committee's decision by the end of October, 2016.
