Research Workshop in Finance
May 8-9, 2008 in Bergen, Norway

Nordic Finance Network (NFN) is organizing the 2nd *research workshop targeted to Nordic PhD students in Finance* on May 8-9, 2008 in Bergen. The idea is to bring together Nordic PhD students in Finance and faculty members for a workshop that gives PhD students a forum to present their research and to get prepared comments from a senior researcher and other participants. NFN is a network for research and doctoral training in finance. NFN promotes doctoral education in finance by co-operating in organizing advanced level courses and workshops. In total the Network consists of 14 Universities in Denmark, Finland, Norway, and Sweden.
