## PhD Nordic Finance Workshop

May 22-23, 2014 Stockholm

The Nordic Finance Network (NFN), the Stockholm School of Economics (SSE), and the Swedish House of Finance (SHoF) are organizing the 8<sup>th</sup> Annual Research Workshop for PhD students in finance on May 22-23, 2014 in Stockholm. The workshop offers PhD students from Nordic universities a forum to present their research and get feedback from faculty and fellow students. In addition, the workshop aims to provide an opportunity for PhD students and faculty to meet and interact. The workshop is open to doctoral students in finance and faculty members from Nordic and Baltic academic institutions, irrespective of whether or not their home institutions are members of NFN.

Papers in all areas of financial economics are welcome. Submissions of papers written solely by PhD student(s) are particularly encouraged, and papers should not have been presented at a major conference like the EFA meeting.

The workshop will be held at the premise of SHoF, Drottninggatan 98, 111 60 Stockholm. The workshop format will be paper presentations, followed by a discussion. In addition, there will be a workshop dinner on Thursday evening.

There is no workshop fee. Traveling expenses and accommodation of presenting authors and discussants will be covered by the organizers.
